DON'T LET CHANGES GET YOU DOWN, CHANGE WITH THEM

P4F is Going Digital

P4F set a goal to reach more families with quality early childhood information. So we are changing with the families and going more digital. Digital as in Facebook and soon to be released Instagram!

We will be posting information about the 5-6 initiatives we selected that focus on "All children beginning at birth being healthy and successful" We will also be sharing free family friendly activities that take place in our four counties. But as you all know we can post post post, but we need families to Like our pages and follow along with us as we support them in raising their children. So share our pages, tell families and providers about them. Help us be more digital!!

P4F BOARD UPDATES

What's Up

The Partnerships 4 Families Board is happy to announce we have a new member. Dan Meythaler from Jefferson will be joining the P4F Board in November. Dan and his wife own the local photography studio in Jefferson. They have two young children. Welcome Dan!!

After 22 years of meeting on the third Friday of the month at 10:30 the P4F Board is going to change it up a little and meet on the third Thursday of the month at 11:00 AM. Their first Thursday meeting will be in January. We will continue to meet Via Zoom until further notice.

The board did not meet in October but took part in the ECTF meetings on October 28th. Opportunities such as this allow them to learn what is happening at the local level.

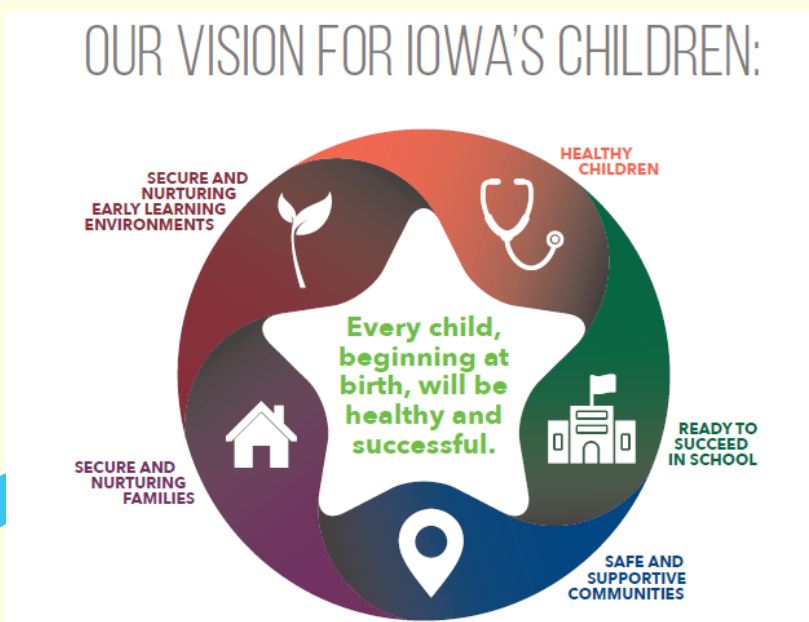

One more person needed to round out our board. The P4F Board is looking for one more person preferably from Audubon to round out our 11 member board. If you know of someone have them reach out to us.

P4F Board meeting will be Friday November 20th at 10:30 Via Zoom. If you would like to join us, send an email to p4fchildren@gmail.com for an link or watch for the agenda to be posted on our website. partnerships4families.org
