## Child Advocacy

**Child advocacy.** Child advocacy refers to a range of individuals, professionals and **advocacy** organizations who speak out on the best interests of **children**. An individual or organization engaging in **advocacy** typically seeks to protect **children's** rights which may be abridged or abused in a number of areas. - Wikipedia

Since children can't vote we need to advocate for them whether it is at the local, state or national level. Examples of ways to advocate:

**Locally:** Encourage your Board of Supervisors to support your local library and its children's programs at a higher level this year.

**State:** Attend a legislative forum and ask a question regarding child care or some other early childhood issue.

**National:** Free and Reduce Lunch funding is under attack at the federal level. Write your Senator or Representative and tell them how important that is to 35-50% of the families in our local school districts.

These are examples, find your own cause and speak to the people that represent you. Need help finding your legislator go to:

## Don't be Cooped up Get Outside

The state initiative 5-2-1-0 recommends daily: 5- fruits and vegetables, 2 hours or less of screen time, 1 hour of physical activity and 0 sugary drinks. It says nothing about taking the winter off in regards to physical activity. So let's talk winter weather and safety.

Healthy Child Care Iowa has the best resource that provides guidance

to child care providers and families on when it is safe for children to be outside in winter weather. You can download their form at: <https://idph.iowa.gov/Portals/1/Files/HCCI/weatherwatch.pdf>

Being outside has a multitude of benefits to young children even on a chilly winter day. So if the temperature is appropriate go get that hours of activity.

## Persons in the Spot Light-Snow Plow Drivers

It was Mr. Rogers who said, "Look for the helpers." This time of year we can look to the helpers who are snow plow drivers. If you get the opportunity thank them but also teach the children and families, you work with to thank them.

Come one inch or ten the employees of our cities, county and state are out moving

the snow at all hours of the day.

There are many community helpers in our area that we rely on to make it safe for young children.

If you know of one, please send them our thanks from P4F.

## P4F Funding Application available February 26, 2020

P4F will release their application (RFA) for FY21 funding on February 26, 2020. In accordance with contracting policies this year all programs will be required to submit a full application. The due date is yet to be determined. As of now the P4F Board will meet on May 15<sup>th</sup> to determine funding allocations.

P4F was fortunate this year to have some carry forward funding that was put toward some small projects in your area. It is unknown at this point if we will have that opportunity next fall.
